

XIV IAEG Congress 2023

The 14th Congress of the International Association for Engineering Geology and the Environment will be held in **Century City International Convention Centre**, Chengdu, China from **September 21 to 27, 2023**. Based on the theme of **“Engineering Geology for a Habitable Earth”**, the congress aims to enhance the multi-disciplinary and research development of international engineering geology and the environment, and contribute to the advancement of major projects, ecological progress, and a habitable earth. Topics for research and discussion will include in global climate change mitigation and adaption, geological hazard assessment and prevention, geotechnical properties of rock and soil mass, engineering geology applied to traffic, energy, urban and marine, ecological environment protection in major projects, new theories and technologies in engineering geology, etc. We warmly welcome the worldwide engineering geological community to come to Chengdu to participate in this academic event.

! Important Note: All types of Chinese visas, including tourist visas, are available starting from March 15, 2023. Additionally, entry functions for visas issued before March 28, 2020 and still valid have been restored. Individuals arriving in China from abroad are no longer required to quarantine or take a PCR test upon arrival. However, they are still required to present a negative test result taken within 48 hours before departure. For more detailed information, please consult the embassy of the People's Republic of China in your country.

Congress Schedule

The congress is preliminarily arranged as follows:

September 21	September 22	September 23	September 24	September 25	September 26-27
Registration /City Tour	Opening Ceremony & Keynote Speech	Parallel Sessions	Parallel Sessions	Parallel Sessions & Closing Ceremony	Field Trip

Themes

- Theme 01: Engineering Geomechanics of Rock and Soil Masses
- Theme 02: Climate Change and Sustainable Development
- Theme 03: Megacity Engineering Geology
- Theme 04: Geoenvironmental Engineering and Ecological Solutions
- Theme 05: Active Tectonics, Geomorphology and Geological Hazards
- Theme 06: Marine Engineering Geology and Coastal Development - 3rd International Symposium on Marine Engineering Geology (ISMEG 2023)
- Theme 07: Deep Earth Resource and Energy Exploitation
- Theme 08: Geohazard Mechanisms, Risk Assessment and Control, Monitoring and Early Warning
- Theme 09: New Technology in Engineering Geology-3rd Shaoxing International Forum
- Theme 10: Applied Geology for Major Engineering Projects
- Theme 11: Preservation of Cultural Heritage and Engineering Geology
- Theme 12: Young Engineering Geologist Afternoon

Important Dates

For Full Paper / Long Abstract Submission

May 31, 2023

Full-length paper / long abstract submission deadline

June 30, 2023

Full-length paper / long abstract notification

For Abstract (oral presentation / poster only)

May 31, 2023

Abstract for oral presentation and poster submission deadline

June 30, 2023

Abstract for oral presentation and poster notification

For Registration

Aug. 10, 2023

Early bird registration deadline

Sept. 21, 2023

Online registration deadline

Call for Sessions

The organizing committee would like to invite session proposals on the above-mentioned themes. The proposed sessions will serve as guidelines for paper and abstract submissions. Session conveners will be responsible for accepting or declining papers or abstracts for their sessions.

All session proposals must include the convener names, institutional affiliations, an email address of the session convener, a title, a brief abstract that describes the session and specifically how the session ideally fits into the congress theme. Also, please indicate the Theme number your proposal aligns with.

If you are interested, please click on the link below to submit the application before March 30, 2023. For further information, please feel free to contact us.

Submit your application via:

<https://iconf.young.ac.cn/eBuMK>

Call for Abstracts

• For the abstract submission

The abstract submission system for oral presentations and posters is open! If you would rather prepare an abstract for an oral or poster presentation, rather than submitting a full paper, please submit your abstract or poster for consideration **by May 31, 2023**.

Submit your abstract via:

<https://easychair.org/conferences/?conf=iaeg2022a>

•Please read the guidelines prior to submitting your abstract at <https://www.iaeg2023.org/cfa.html>

Academic Committee (Alphabetical Order)

Chairs: Sijing Wang Runqiu Huang

Members:

Bin Shi	Bo An-Jang	Carlos Delgado
Charles W. W. Ng	Chungsik Yoo	Defang Kong
Dingcheng Huang	Doug Johnson	Eugene Voznesensky
Faquan Wu	Fawu Wang	Hengxing Lan
Hsein Juang	Huiming Tang	Jean Hutchinson
Jean-Alain Fleurisson	Jian Yang	Jianbing Peng
Jianmin Zhang	Jianxin Hua	Jinxiu Yan
John Ludden	Kyoji Sassa	Lansheng Wang
Manchao He	Martin Culshaw	Nicola Casagli
Niek Rengers	Norberto Jorge Bejerman	Peng Cui
Qing Wang	Rafiq Azzam	Resat Ulusay
Ricardo Oliveira	Roger Frank	Scott F. Burns
Shitian Wang	Shutao Yang	Tamunoene Kingdom Simeon Abam
Vassilis Marinos	Wei Wu	Wei Zhang
Xiao Li	Xiating Feng	Yueping Yin
Yusheng Gao	Zelian Chen	Zuyu Chen

Organizing Committee (Alphabetical Order)

Chair: Qiang Xu

Vice Chairs

Qiangbing Huang	Shengwen Qi	Xiangjun Pei
Xiaoqing Chen	Yuyong Jiao	

Secretary General: Xuanmei Fan

Members:

Chaojun Ouyang	Chaosheng Tang	Jianjun Zhao
Liangqing Wang	Ning Liang	Wen Zhang
		Yuhuan Song

Congress Publication

Accepted papers will be included in IAEG congress proceedings and published by Springer.
